Re: Notice of File Closure for Small Mining Activities, Greenstone A & B Claims, S/003/018, Box Elder County, Utah

Dear Mr. Shields:

This letter is to notify you that file #S/003/018, for the Greenstone A & B Claims project, located in Section 21, T8N, R18W, Box Elder County, Utah, will be retired from our files.

The site was inspected this summer and no disturbance or evidence of mining was observed in the area of these claims. David Penney's mining operation is located approximately 700' north of the northern boundary of these claims.

Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Lynn Kunzler
Senior Reclamation Specialist
